5-year Optional Levy to fund paid Fire Department Personnel.

Question 20 words which plainly phrases the chief purpose of the measure.

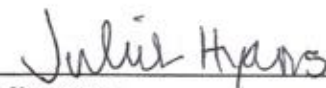

Shall the City of Garibaldi impose a 5-year Levy to fund paid Fire Department Personnel beginning FY 2023-2024? This measure may cause property taxes to increase more than three percent.

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

If passed, the City of Garibaldi would impose a 5-year Optional Levy to fund paid Fire Department Personnel at the rate of \$1.35 per 1,000 assessed value. This 5-year Levy would generate a total of \$873,111.60. The City would use this tax revenue to retain its current paid Fire Chief, Division Chief and Seasonal Summer Firefighter(s). Without this tax revenue, the City will not be able to employ Paid Fire Department Personnel and will instead operate with volunteers only. The estimated funds generated by this tax levy annually would be FY23-24 \$161,200; FY24-25 \$167,648; FY 25-26 \$174,353; FY26-27 \$181,328; and FY27-28 \$188,581. The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of estimate and may reflect the impact of early payment discounts, compression and the collection rate.
